DONATE

We are looking for donations of good to great condition, used or new, that fit in the palm of your hand, as well as **LOTS** of **GIFT BAGS**. Simply place your donation in a plastic bag in the wrapped box located at the front of the school by the office or covered area.

SHOP

Teachers will bring students to the store during the school day to shop. We ask that each child selects gifts for people only in their immediate family to ensure there is enough for all. All purchases are by donation, suggested \$1-2 per item. No change will be given. If you are unable to financially contribute, please reach out to your child's teacher or Karen so we can remove any potential barriers.

DETAILS

All children are welcome who attend Hans Helgesen. We are thrilled to offer this event again and look forward to seeing the joy in each child's eyes when they are offered the power to give. This is the gift that keeps on giving as all proceeds will be used by the PAC to offer opportunities to the children.
